

Motion Solutions Purchases Assets of Specialty Motions

Chicago, Illinois – August 4, 2015

North Branch Capital, LLC (“North Branch”) announced today that its portfolio company, Motion Solutions, has purchased certain assets of Specialty Motions, Inc. (“SMI”). Based in Corona, California, SMI is a value-added distributor of linear motion and motion control solutions for a variety of end markets, including medical device, life sciences, aerospace, and technology.

“SMI has a long history of supplying quality products and excellent service to a variety of customers,” said Bill Huber, Partner of North Branch Capital. “We are looking forward to building on these long-standing customer relationships to continue to grow the SMI business.”

The transaction was completed on August 3, 2015.
